

# PRABESH RAI

## EXPERIENCE

### Flutter Developer

YELLOW NEPAL PVT. LTD, HATTISAR  
KATHMANDU NEPAL  
APRIL 14, 2021 - AUG 31, 2022

- Developed and maintained cross-platform mobile applications using the Flutter framework.
- Collaborated with multidisciplinary teams to gather requirements and ensure alignment with business objectives.
- Participated in Agile ceremonies to facilitate efficient project execution and ensure timely delivery of high-quality software.

## EXPERTISE

- **Data Analysis:** Proficient in analyzing large datasets using tools like Hadoop, Apache Spark, and SQL.
- **Data Visualization:** Skilled in creating clear visualizations using tools like Tableau, Power BI, or Matplotlib to communicate insights effectively.
- **Programming Skills:** Proficiency in languages like Python, R, Scala, or Java for data processing and analysis tasks.
- **Statistical Analysis:** Knowledge of statistical techniques such as hypothesis testing and regression analysis.
- **Communication Skills:** Ability to convey technical findings to non-technical stakeholders clearly and effectively.
- **Problem-Solving Skills:** Capable of tackling complex data analysis challenges and developing innovative solutions.

## BIG DATA ANALYST

Analytical and detail-oriented professional with a strong background in computer science and software engineering. Transitioning into the field of Big Data with hands-on experience in data analysis and mobile app development. Currently pursuing a post-graduation in Business Analytics to further enhance skills in data analysis and business intelligence. Eager to apply technical expertise and problem-solving skills to drive data-driven decision-making.
